Dear

Can you please book Proposal 3 below.

Mr Lowe will travel from Frankfurt to Zurich by train. No need for booking.

Description for Corporate Card: BIS Basel Jan 2019

Trip Name: PL BIS Basel Jan

Approved by: Guy Debelle

[D18/361941](#) – Approval

Mr Lowe's preference for this trip would be Proposal 4 attached, but as you have advised there are no business class seats on CX383 from HK to Zurich. Are you able to put a waitlist on this flight? But book the above trip via Frankfurt in the meantime?

Kind regards

Lisa

Hi Chris

As discussed, Phil will be travelling to Basel in January for the BIS bimonthly meeting,

He will fly via Hong Kong and have a one night stopover with a family member at his own expense – Sydney, Hong Kong (stopover), Frankfurt and returning Zurich, Hong Kong (no stopover), Sydney

- The preferred CX itinerary:
 - has one leg waitlisted – the cost of that itinerary with premium economy (issued as separate ticket) is \$
 - priced using the day earlier is \$
- The itinerary booked flying from Hong Kong to Frankfurt and train to Zurich is priced at \$
- For comparison:
 - Sydney to Zurich via Dubai on Emirates on the same dates: \$

Attached are the above options.

The travel request has been approved by the Deputy Governor.

Kind regards

Lisa

Hi Shirley,

The base fare is same between Frankfurt and Zurich. Moreover, there is no reissue/ reroute fee from the airline. So, if CX-383 gets confirmed, hopefully, we'll be able to reissue the ticket at no additional cost from the airline apart from some minor adjustment of the airport taxes. A QBT amendment fee of \$25.00 gets charged, when changes are done after ticket is issued.

Thanks

Hi Shirley,

The booking held for Mr Philip Lowe's travel to Hong Kong and Frankfurt on 11th January is due for ticketing today.

Please advise if we can go ahead with the ticket issuance.

Please note that flight, CX-383 on 13th January, Hong Kong to Zurich, is still waitlisted, which we can still keep in the booking as long as possible even after ticket is issued and review it, if this flight gets confirmed.

Thanks
